Larry Flynt: Continued

Born-again Hustler magazine publisher Larry Flynt has full-page advertisements in 10 newspapers today offering a $1 million reward for information about a possible conspiracy behind the assassination of President John F. Kennedy.

"This may be our last chance to uncover the truth behind President Kennedy's assassination in Dallas," said Flynt in the ad appearing in the Dallas Morning News. "I am personally guaranteeing a $1 million reward for information leading to the arrest and conviction of anyone involved in the planning or execution of President Kennedy's murder, or for information which makes it possible for the truth to come out."
